Caroline Oliver & Betsy Perry, Newsletter Coordinators

HAPPY NEW YEAR!

The neighborhood looked especially bright this holiday season with festive lighting and decorations at homes & at the entranceway. Thanks to everyone!

What is on the schedule next? The one thing we can expect is the unexpected. Here are a few updates:

- The City has been notified of the sidewalk impairments as highlighted in yellow paint. (Thanks Jeanne Masden.) It appears a preliminary inspection has been made as seen by their white arrow markings.
- We are working with last year's volunteers to see if an Egg Hunt or substitute event might be possible in March.
- HOA payment books are in process & no late fees apply at this time given the delay.

Yard Sale Dates?

Our June sale last summer was fairly well supported in spite of the changes in lifestyles that were unrolling at that time. In a few weeks, we will send out some suggested Yard Sale dates to see what homeowners may prefer for this year. Remember, too, that we arrange for a charity pick up of gently used items at the end of the sale, whether or not you participate in hosting a sale.

Board Meetings in 2021

The Annual Homeowners Meeting originally set for Dec 2020 has been tentatively rescheduled for February 24, 6:30 p.m. Details to follow based on State regulations.
